#### > 🌟 "2024 Forecast - Year two of the 'New International Economic Order'"

(Excerpts:) "2023 Was Year ONE of The New World Order...If 2023 was a dumpster fire, 2024 will see the building catch fire...a Trilateral Commission member addressed their plenary meeting held in New Delhi, India, on March 12, 2023...'This year, 2023, is Year One of this new global order.' In other words, pull out all the stops. The Great Reset has arrived. Execute the battle plan to terminate capitalism and free market economics. We are already experiencing a 'polycrisis of doom' where multiple crises are descending upon us simultaneously [see four crises listed in article]...a collapsed world would be ripe for total capture and rebuilding into Technocracy's [Antichrist!] dystopia.":

> 🙄 *While the reason for all wars is blatantly obvious (see Jam. 4:1), my reason for this post is to highlight the .36 sec vid included in this piece. Click on the link below, scroll down in it and see how the delites have (quote from article) "sent unarmed people with Down Syndrome to the front lines to be killed" [after being mocked, ridiculed, traumatised]! Do these following Scriptures fit the bill or what!?! All of Isaiah chapter 30 is bang on!*

*"Woe to the rebellious children', saith the LORD, 'that take counsel, but not of Me; and that cover with a covering, but not of My Spirit, that they may add sin to sin: Therefore shall the strength of [the delites] be your shame, and the trust in the shadow of [Satan] your confusion. [The delites] were all ashamed of [and kill!] a people that could not profit them, nor be an help nor profit. [Totally opposite of Jesus' message of love and compassionate care!] This is a rebellious people, lying children, children that will not hear the law of the LORD: Which say to the seers, "See not" [Ignore! Overlook! Cover up!]; and to the prophets, "Prophecy not unto us right things, speak unto us smooth things, prophesy deceits [Ear-tickling, fear-fueling, mind-manipulating disinformation! Cruisy, corrupt worldlianity and all its compromised religiousities!]". And there shall be upon every high mountain, and upon every high hill, rivers*

and streams of waters in the day of the great slaughter, when the towers fall. Behold, the name of the LORD cometh from far, burning with His anger, and the burden thereof is heavy: His lips are full of indignation, and His tongue as a devouring fire: And His breath, as an overflowing stream, shall reach to the midst of the neck, to sift the nations with the sieve of vanity: and there shall be a bridle in the jaws of the people, causing them to err. [So as to expose the truth of their deliberately perpetrated perfidy!]" (Isa.30:1, 3, 7, 9, 10, 25, 27, 28):

(Excerpts - underlines and bracketed text are my emphasis:) "The girl under the age of 16 is said to have been left distraught after her avatar – her digital character – was gang raped by the online strangers. The headset-wearing victim did not suffer any injuries as there was no physical attack, but officers said she suffered the same psychological and emotional trauma as someone who has been raped in the real world, as the 'VR' [Not Virtual Reality! It's Virtual Rape of one's life!] experience is designed to be completely immersive...[an official] warned 'the metaverse creates a gateway [an interdimensional portal!] for predators to commit horrific crimes against children. Details of the extraordinary virtual reality case have been kept secret to protect the child involved, amid *fears that, for several reasons, a prosecution will not be possible.*" - *Of course! Because it's an orchestrated demonic invasion by the delites' design!, for "broad is the way, that leadeth to destruction, and many there be which go in thereat" (Mat.7:13b) God help people to ditch and destroy those devices, and put on the headset-helmet of Salvation, in Jesus' Name!:*

(Excerpts - underline my emphasis:) "European allies France, Spain and Italy are curbing their involvement. Australia has given it a miss. And so far, no major Arab countries have signaled their participation, apart from the tiny Gulf island nation of Bahrain which hosts the U.S. Navy

Fifth Fleet...[Yemen] endured an eight-year war, instigated by Saudi Arabia, the United Arab Emirates and other Arab countries. That war, beginning in 2015, was fully supported by American, British and French warplanes, bombs and logistics...It was an abject failure. The Yemenis were undefeated and indeed they forced Saudi Arabia and the UAE to abandon their murderous aggressions after the Ansar Allah rebels started to target oil installations with drones and ballistic missiles. This is why the Saudis and other Arabs are unwilling to participate in the U.S.-led flotilla. Politically and militarily, they know it is a poisoned chalice." - *"For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies."* (Rev. 18:3):

> ! 🙄 ! What's with the 1 January 2024 Japan earthquake?!?

- 🌟 A must-watch! Today I was wondering if and what solar activity contributed to the 7.5 earthquake in Japan on 1 January 2024. I came across this video (perhaps there are better) which showcases the correlation between solar activity and earthquakes! It's 14.34 min. 2024 has really kicked off with a bang with a magnitude 5.0 X-class solar flare contributing to that 7.5 earthquake, a precursor of what's to come! Earlier than expected, we're now in solar maximum, which can last from 12 to 18 months. Find out what that means for Earth in the next few years! **"X5 Solar Flare triggers M7.5 Earthquake in Japan Kicking Off 2024 - What Does it Mean?"**:

- 🌟 YET, consider THIS!

**"Everything points to Japan being under a series of withering attacks as a warning not to even think about leaving the New World Order reservation!"**

(Excerpts:) "Japan made a number of nuanced moves and subtle maneuvers over the course of 2023, each of them hinting at the distinct possibility that they would rather be friends with the BRICS-allied nations...than with the Zio-Anglo-American Axis countries such as the US and UK...being America's bitch since World War II is not only getting very old, it's getting very grating and extremely toilsome...Japan is also being required to further accumulate US Treasuries

throughout this exceedingly precarious period of de-dollarization by the entire BRICS Alliance and others." - *Remember, the Japanese government was, rightly so, initially hesitant to get roped into the Ukraine boondoggle, but eventually heaved into it?! Pay up or pay the price!?:*

Zionist/Western operatives, seeking to 'wipe Gaza off the map', first needed to engineer global outrage by creating the conditions for a mass-casualty-producing event, such as the one on October 7 2023. This catastrophe was, in turn, used as a pretext for the current Western/Zionist perpetrated genocide happening now in the West Bank and in Gaza...The ultimate objective is not only to exclude Palestinians from their homeland, it consists in confiscating the multi-billion dollar Gaza offshore Natural Gas reserves, namely those pertaining to the BG (BG Group) in 1999, as well the Levant discoveries of 2013.":

> ! 👁️ ! *I'm not so inclined to such movies, nor movies nowadays in general. But whilst researching, this headline caught my eye, not so much because of the word "alien", but because of "Romulus" and "2024"! And being that the world is past the iron legs of Rome and in the 10 iron (Rome remnants)-mixed-with-clay toes of the Daniel Chapter 2 image, I got a heads-up to check it out! Reading this one and coupling it with the next clearly, imo, shows the now-being-drip-fed/forced but soon-to-be-mandated Romanesque final form of world religion will in no way be Christian in name, but will actually be an atheistic, humanistic, satanic system which denies everything related to the true God and is the persecutor of all who fail to worship the Endtime Romulus — the Antichrist!*

• **"The Ancient Agonies of the Unelected OverLords" - Into the era of that paganistic world power was our Saviour Jesus Christ Saviour born, and into its defiant resurgence shall He return, Faithful and True!**

(Excerpts:) "No sense of family, or traces of love or affection, stopped Romulus from striking the death blow in his battle for supremacy...[who] ritually sacrificed a beast and dedicated it to the immortal Hercules...All those beneath him became his subjects. He laid down Laws and ordered twelve men to become his personal Attendants, to display his superiority to those around him. He created a Lordly class...raising his status as a warrior before his people, and adding to his reputation that the gods were on his side...The Overlords have no experience of Trust between

peoples, so the endless competition for the most powerful weapons is seen as a logical necessity for survival. The empathic are bewildered by what they see as the senseless pursuit of weaponry. They imagine how the diversion of those social resources could unleash a modern 'renaissance' of co-operation and creativity that would address our mutual issues and generate shared abundance. Re-activating the capacity for human empathy is not impossible, but it requires a preparedness for allowing all suffering – that which is stored within the individual person, as well as the suffering they may have inflicted upon others – to be experienced. Understandably, this is a 'road less traveled'." - *"Count it all joy, rejoice, inasmuch as ye are partakers of Christ's sufferings; that, when His glory shall be revealed, ye may be glad also with exceeding joy. Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it."* (Jm1:2; 1Pet.4:13; Mat.7:14):

**9 January** - *Today caused me to reflect on consistently reminding myself of God's command to not be ignorant of the Enemy's schemes and snares; to be seeking His Word for the knowledge and wisdom as to how they operate, and continue to be disguised, dispensed and dispersed! The Beast uses many forms of deception to keep not only himself but also his odious operations hidden. Iniquitous eruptions escalate Lucifer's lies that eviscerate 360-degree Truth! So, onward and upward to embrace and execute our responsibility to learn of and "understand among the people" (Dan.11:33) the who, what, where, when and why of the Endtime!*

• **"NASA's Project Blue Beam – as told by Serge Monast":**

(Excerpts:) "What are the NWO plans? They plan the destruction of all people who believe in the Bible, who worship Jesus Christ, and the complete disappearance of Christianity to achieve this plan...will change nations' laws in order that Christian religious beliefs and symbols – like the cross, for instance – will be come unlawful. Only Easter and Christmas for instance will be replaced by New Age festivities around the world...this is not a dream and...not paranoid thinking. This is real. So they plan...to accept the NWO, people will have to accept first the New World Religion. To enter into the New World Religion, the Christians will have to abdicate their own beliefs...what we have to understand is the New World Government won't be something permanent – immortal. This is not the case. But what we have to do and what we have to think right now is how to organize ourselves to survive such tyranny, such Satanic plans...the famous NASA Blue Beam Project has four different steps...1.) Set Up of Earthquakes...2.) Holograms and Sounds...3.) Telepathic Communication from Waves...4.) Alien Invasion or Rapture... humanity is going to be ready to implore any new messiah to re-establish peace everywhere at any cost, even at the cost of freedom abdication...the technique used in that fourth step is

exactly the same used in the past in USSR to force the people to accept Communism. The same technical wave will be used by the United Nations to implement the New World Religion in the NWO.":
