Spot the hidden acronym in the word Antichrist!!! - A.I.!

26 June

> 🌟 *Many times previously I have shared about A=1st letter of the alphabet and I=9th letter of the alphabet, 1+9=10, thus could it be that the 10 kings that give their power to the Antichrist are AI kings! "And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast. These have one mind, and shall give their power and strength unto the beast." (Rev.17:12-13) "[Who] causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed. And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men, and deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live. And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship [Give their eyes? The windows of their soul!] the image of the beast should be killed. And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads [In and/or with their EYES?!?!]: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name [Through one's eyes?!?!]. Here is wisdom. Let him that hath understanding*

count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six [666]." (Rev.13:12b-18)

The Beast System is saying it out loud! "Your eyes are windows into your body. If you open your eyes wide in wonder and belief, your body fills up with light." (Mat.6:22 MSG). And so the continuous-counterfeiter Devil, the corruptor of God's Word, is twisting this truth to make people open their eyes wide in wonder ("All the world shall wonder after the beast." [See Rev.3:3]) and belief in his system to have their eyes and bodies filled with this Payeye light! Don't say "Aye" to Payeye!:

His family and many many others pleaded, but the USnakes ignored his fate and left him in the Ukrainian prison system, where he was brutally neglected to the point of death brought on by "torture, extortion, and incommunicado detention". (Excerpts:) "It is hard not to look at the state of modern Christendom, particularly evangelicalism, and see the Gnostic and occultic influences that have wormed their way once again into a prominent position within the Church...Now more than

ever, a plethora of competing doctrines, theories, and assertions are brought forward with which we are told to battle the forces of Darkness. How then are we as Christians to war against these unseen foes? How are we to discern that which is true and that which is false; that which is of Christ and that which is opposed?...The Apostle Paul makes this abundantly clear to Timothy: 'All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect, thoroughly furnished unto all good works.' (2Tim.3:16-17) That Greek word for 'perfect', [which is] 'artios' [which also means 'fitted', having reference apparently to 'special aptitude for given uses'] denotes 'completeness'. Scripture is not only profitable for the teaching of the brethren and rebuking of the pagan, it is sufficient and necessary for the perfection of the man of God to do every good work. Quite simply, any good work we are to do as a Christian can and must be derived from Scripture." - *Which means being a Word-based Christian! >  **"Agenda 21 is code for a master plan designed by the United Nations to change the political and economic system of the world!"**

"G Edward Griffin – Agenda 21 – the dirty secret" - 2.05 min vid (OAAO).

[I transcribed the vid:] Agenda 21 is a code name for a master plan designed by the United Nations to change the political and economic system of the world to one of total collectivism. And in order to do that, people must not be allowed to have independence. They must be dependent on the State for everything. Otherwise, they won't be easily controlled by the State. That means they can't

have private property, mostly; they can't have land of their own. They have to live in, preferably, high-rise apartments that are provided to them by the State as a benefit, so to speak. "Oh, good, we have a free apartment!" But these people at the top want all humans to be dependent on the largess of the State. That means that they don't want anybody living out in the boonies. Anybody who's got a couple of acres of land and his own water supply and can grow his own food, or have some sheep or chickens: These people are a threat to the collectivist society, because they're not going to go to the politicians and say, "Please, food me! Please, clothe me! Please, give me shelter!" They tend to be independent. That's the secret behind Agenda 21: They want people out of the country. They want corporations out there, growing all kinds of food and that kind of thing, but they don't want anybody living out there, because that way they cannot be controlled. In order to control mankind, they have to get them all into the big cities; they have to rack 'em up and stack 'em up; get them dependent on the State for food, for shelter, for electrical power, for water — everything! That's the dirty secret behind Agenda 21.:

(Excerpts:) "If you are a Christian, a real one and not a worshiper of Israel, you can understand what has happened to us in terms of Satan squeezing the good out of Western civilization and replacing it with evil...The West no longer rests on a Western culture. It rests on sexual perversion and the promotion by governments, corporations, and universities of transgenderism and critical race theory. Western nations have been replaced with Sodom and Gomorrah and towers of babel. Enemies are necessary to justify the US military/security complex's massive budget and power. The more enemies, the larger the budget and power...when respect for religion, traditional values, family, and religious faith are stripped from a society, society has been disarmed and no protection remains against the triumph of evil." - *God bless and keep His Own who trust completely in the Son, Jesus Christ, Who wields the power of Psalm 91!:*

> 🚩 **"FRANCES LEADER ON THE BLACK NOBILITY"** - (Excerpt from intro by Alexandra Bruce:) "This is an excellent and riveting interview with Frances Leader by South African podcaster, Jerm Warfare, in which Frances Leader expounds on her extraordinary work investigating the Black Nobility and how we are currently living in the Roman [Pagan] Empire 2.0. She calls it the 'Roman Empire Mark II', but I don't think this communicates what she means as clearly as saying '2.0', so in the interest of clarity for readers, I have taken the liberty in this transcript – with apologies to Frances – of replacing every time she said 'Mark II' with '2.0'. To summarize what she says here, after the collapse of the Roman Empire, the elite decided that they didn't want the burden of guarding and protecting territory. They no longer wished to be an empire of real estate but to be an empire of trade. They eventually created the jurisdictions of the City of London, Washington, DC and the Vatican City to rule the world from behind-the-scenes in a clandestine Roman Empire." - *Read the rest of Alexandra's Intro at the link below, as well as the, imo, must-read transcription (or view) of the included 51.24 min vid:*

"Why you should NEVER believe your eyes" - Turn off the teLIE**vision! This is for sure a must-read!**

(Excerpts:) "We are visual creatures, and once somebody has seen something – or believes they have seen something – it is almost impossible to convince them they haven't. And, these days, would-be tyrants can take advantage of that...Your analytical brain can filter [deep fakes, various tech-spawned AI audio/visual lies] when it has additional information and context. You see the strings when you **know** they are there...They. Already. Fake. Everything. OK, not literally everything, but a lot. A huge amount. Much more than most people grasp...The technology discussed above doesn't mean they will start faking things, it means the faking they've been doing for years will be easier to do and harder to detect. The technology exists. The motivation exists. The required levels of dishonesty and corruption more than exist. The lazy entitlement that 'justifies' a culture of pretend also exists. We're long past the point now where questioning everything you see and/or hear could ever be considered 'paranoid'. It's healthy, rational and

even a prerequisite for maintaining your sanity. We know they'll fake **anything**, so we must be prepared to question everything." - *And, imo, the elites will most likely fake the Second Coming of Jesus Christ! With the Antichrist! How will the namby-pamby, system-compromising, cowardly Church leaders — who closed their churches when they knew lockdowns were not necessary and then, despite all of the evidence showing the vaccines were not necessary and a grave abuse of power, told their conned congregations that they had a duty to take them — fare then?*

>  Further to my post of yesterday, regarding the WEF's 'Summer Davos' in China, here's more as to what these machiavellian mutants are pontificating about and plotting. Personally, I find it so exasperating to read about their drive! I just have to go and soak myself in all of Psalm 37 to find relief and reassurance that "their sword shall enter into their own heart, and their bows shall be broken"! (Psa.37:15)

"While You Were Distracted: WEF Pushes Plans to Seize Control of Food, Water, and Oxygen Supply" - Includes .54 sec, 1.51 min, 1.55 min, 1.01 min, 1.04.54 hr, 1.39 min vids (*I watched the shorter ones only*).

(Excerpts:) "During the WEF Annual Meeting of the New Champions [*Champions?!? Good grief!*], also known as 'Summer Davos', in Dalian, China, globalists declared that natural systems are finite and must be corporatized...During a Summer Davos panel discussion, WEF speaker Lindsay Hooper, the University of Cambridge Institute for Sustainability Leadership CEO, blasted members of the general public for expecting water and oxygen to be 'unlimited' and 'free', [arguing] that food, water, and oxygen are 'forms of natural capital' that global elites must put 'on the balance sheet'...[the book] 'Limits to Growth' is a nod to the Club of Rome book of the same name published in 1972. The book is a manifesto for reducing the global population of humans. The

book's author, Dennis Meadows, is a WEF member and is considered an architect of the organization's anti-human agenda...Meadows advocated for global elites to orchestrate a mass depopulation event to wipe out 86% of the human race. He argues that the 'elites' left behind would have a better life with fewer humans on Earth...next on the agenda is the tokenization of water, trees, oxygen, and just about everything else in nature." - *Can we see where this is all headed? "Please, may I breathe today and have some water?" The elites are no longer talking in cryptic language; they are straight out speaking out about mass elimination of humanity! "And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened. And except that the Lord had shortened those days, no flesh should be saved: but for the elect's sake, whom He hath chosen, He hath shortened the days."* (Mat.24:22; Mk.13:20):

Recommend reading!

(Excerpts:) "Manipulation of the human mind through the use of mass media is a highly complex and controversial topic...mind control is very real, very powerful and thoroughly weaponized... Lifestyle modelling creates a desire in the minds of the audience to emulate the characters...writers, producers, directors, and actors are dysfunctional psychopaths lacking any amount of empathy and skill, and/or AI is creating almost everything being pushed at us in the media...Modern films and shows have violated a cardinal rule of the proscenium — the fourth wall — which is the imaginary wall of the arch that separates the audience from the scene. With the ham-fisted 'inclusion' and 'diversity', the sense of 'reality' is lost. Furthermore, when the characters begin lecturing on 'good behavior' and 'right think', the fourth wall is pierced and the audience no longer feels safe. The scene has spilled into the auditorium and the audience immediately raises shields. They are no longer safely observing the scene from a distance, but are now pulled into it, with all the attendant psychological threats." - *Don't get sucked into this surreptitious, seductive s*%t!*

What possible war scenario would require millions of conscripts being trained to fight on US soil? Renowned UFO researcher Dr. Michael Salla has some very deep sources inside the US military and his sources are warning of a very dark plan." - 15.17 min vid (OAAO).

(Here are some short notes I typed up whilst watching this video:) Formulation of concerted-shaping operation involving false-flag alien event wholly contrived by the Deep State. / How would Americans support this? Ties in with the mandatory draft for 18-26 year old men and women. The reason they've passed that is that when they move forward with the event, the people whose children [and grandchildren] are in that age group, they would lose their skepticism because

their children would be battling. / They want to create the emotional, psychological and mental foundations to cause people to want to fight against a contrived threat. / This is where clones, fake aliens come into the frame. Cloning technology has been developed to a very high degree. Clone armies, that would look like aliens, overrun a city, and then the need is there to mobilize the army for this alien threat. / Programmed life forms - programmed crypto-terrestrials coming out of their underground bunkers. It's all about centralising power into the hands of those in the military industrial complex. They are worried about the rhetoric about stopping the wars, because they push for and profit from war! / There's a deliberate effort centred around the idea of extraterrestrials and intellectual races that come from the oceans and below the earth's surface, framed as an invasion from crypto-terrestrials. Clone armies would be coming out from any underground cavern to wreak havoc. / An extraterrestrial threat would be a dream come true for the military industrial complex. This was revealed in The Report from Iron Mountain.* They need and want to perpetuate a threat, and are always looking for new ways to prolong the arms industry. So they will play the alien card so they can continue to suck out the financial resources for continuous war.:

The Report has been jeered by some as a hoax, but we, in the know, know what that could very well mean! In spite of the warmongers' OTT appetite for war, how can it usher in the AC's first 3½-years rule of peace? The ACers need to replace power, currently perpetrated/maintained through war, with (enforced) peace! — A peace brought about by external threats (outlined in the video) in order to bring about NWO peace! There are just a few points in the vid which veer from my Biblical view, but not enough for me to **highly recommend** taking in this video to add to our united understanding as to what the Antichrist's reconnaissance troops have done, are doing and potentially plan to do in preparation for the Last Days' revelation, rule and reign of the Antichrist, Lucifer in the flesh!

"Exclusive Breaking News: Shocking Information About Graphene Oxide in mRNA Vaccines - A highly educated top doctor and professor at seven universities, who is a senior virologist, epidemiologist, oncologist, and immunologist, has warned that graphene oxide is present in mRNA

vaccines." - Includes link to 41.59 min vid (OAAO) of Jim Ferguson's interview with Professor Dr. Robert W. Gorter.

(Excerpts:) "Professor Dr. Robert W. Gorter, who has received death threats from individuals linked to Big Pharma, has had to employ specially trained security officers and personal bodyguards because his research has exposed a truly evil plan that is being implemented. He has provided concrete evidence of graphene oxide in the Pfizer vaccines, among others, and is warning that there is a way to track the vaccinated using 5G and particularly 6G masts. This technology, being constructed across the planet in every major town and city, is actually linked to mass surveillance systems controlled by an extensive surveillance grid powered by AI technology. Even more alarming is the ability to use drone technology to effectively administer pulses of 5G/6G into those with graphene oxide in their blood from the shots...this could be used to punish people who do not comply and could even administer a shock strong enough to stop their hearts. This information has been kept under wraps as they do not want people to know or understand what is happening. It's essential that people get ready and prepared.":

<https://lionessofjudah.substack.com/p/exclusive-breaking-news-shocking>

Thank you, dear Dr. Gorter! To the hottest Hell, may these purveyors of poisons be damned for eternity, in Jesus' Name! They spit on Psalm 23 and instead declare, "We are your shepherds, we'll make you want. We'll make you lie down in poison pastures, we'll force you to drink of sick waters. We'll destroy your soul: we'll lead you in the paths of unrighteousness for pharmakia's sake. Yes, we will walk you to your untimely death, and make you afraid not to do so: for we are with you; our pills and syringes will kill you. We prepare a bed on which to sacrifice you in the presence of Satan: we anoint you with his alchemy until your life is over." But their damnable evil will NOT triumph! ("...fear not them which kill the body, but are not able to kill the soul" – Mat.10:28a) "Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord for ever!"

Palestinians (out of 2.1 million) or about 75% of the population, are estimated to be internally displaced. The death toll is much higher than is reported in the news. 60% of farmland is totally destroyed which means farmers cannot plant food. Aggression has been stepped up in the West Bank. 528 Palestinians in the West Bank have been killed since Oct 7, 2023. And 7,350 unlawfully detained & thrown in jail since Oct. 7. "Apple Cider Medicine"

(Excerpted first 2 paragraphs, to help pique your interest!:) "Many websites and natural healthcare proponents claim that apple cider vinegar has exceptional health benefits, including boosting energy and treating disease, and they are probably not wrong. Apple Cider Vinegar joins a long list of natural substances that most doctors will not touch with a ten-foot pole that does not cost a fortune to help you maintain your health. It is worth trying for 30 days and can easily be

incorporated into one's routine. With the way the world is going with modern medicine hemorrhaging trust at an accelerating pace, with fewer and fewer people able to afford standard medical treatments and expensive drugs, and with patients increasingly overwhelmed by toxicity and nutritional deficiencies, there has never been a better time to get into natural medicine. [Amen to that!] There is a growing list of important substances and therapies that we should [all!] be familiar with.":

>  **THE IMPORTANCE OF THE APOCRYPHA BOOKS** - by S. N. Strutt, 25 June 2024 (For more Apocrypha info, subscribe to Stephen's YouTube channel: <https://www.youtube.com/@stephenstrutt>)

The word "Apocrypha" means "hidden" or "secret". Up until around 1885, there were 80 books in the King James Version of the Bible (KJV): 39 in the Old Testament, 14 in the Apocrypha, and 27 in the New Testament. The original 1611 KJV contained the Apocrypha, and King James threatened anyone who dared to print the Bible without the Apocrypha with heavy fines and a year in jail. But the removal of the Apocrypha from the Bible in the mid-1800s has left most modern-day Christians believing the popular myth that there is something "Roman Catholic" about the Apocrypha. There is, however, no truth in that myth. Since the Apocrypha was taken out of the canon of scripture in 1885, many people have written about the apocryphal books, all of whom agree that the Apocrypha is absolutely invaluable and should never have been removed from the KJV. The big question is why were they taken out of the canon of scripture? There are many reasons. Their late date of composition, considered by some, may have made them seem too recent to be considered Scripture. In addition, the fact that they were in Greek may have alienated some Jewish thinkers who may also have found some content that conflicted with earlier Jewish teachings. So while most Christian Bibles now leave out the Apocrypha, Catholic Bibles, however, give them their own section; yet, while Catholics encourage people to read these books, they emphasize that they are not divinely inspired Scripture. I disagree with that statement. I certainly believe that the Apocryphal books are inspired by God, along with the ancient Hebrew books of: 1 Enoch, 2 Enoch, Jasher, Jubilees, Testaments of the Twelve Patriarchs, The Lost Books of Adam and Eve.

**[Comment from Cathy Gehr: DYOR regarding this "big question", of which there are a myriad of theological answers, in my opinion, the removal of the Apocrypha came at a time when the enemies of Christ (who had launched the theory of evolution, starting in 1748, and had Darwin's writings published in 1859) were joined in earnest to desecrate the KJV via John Nelson Darby (1800-1882), who is credited with originating the "secret rapture" theory, wherein Christ will suddenly remove the Church from this world before the judgments of the great tribulation begin, spoken of in the book of Revelation. Darby greatly influenced Cyrus Ingerson Scofield (1843-1921) who also incorporated this false doctrine into the notes of his Scofield Reference Bible. In 1901, four years after the Zionist Congress in 1897, the powerful Zionist Samuel Untermyer funded Scofield to write his reference "bible". Untermyer also approved Scofield's membership into an exclusive club for the financial and literary elite called "The Lotus Club". Its members were atheists, communists, eugenicists and people that normally a "Christian theologian and pastor" would never have anything to do with. The Scofield Reference Bible was first published by the Zionist-affiliated Oxford University Press Oxford University Press in 1909, only a few years before World War I, a war that destroyed a cultural optimism that had viewed the world as entering a new era of peace and prosperity. One million copies were printed by 1930, firmly establishing his theory into different denominations and Bible schools of the United States in the 20th century. "What Darby planted, Scofield watered", said researcher James Perloff. Thus by plagiarising Darby in his footnotes of his reference "bible", Scofield included a Zionist commentary on the very pages of the King James Version of the Bible! Since the removal of the Apocrypha, new translations of the Bible into English proliferated in the 20th century. Among them (for there are many many more than listed here): the Revised Version (1881–85), a revision of the King James Version; the Revised Standard Version (1946–52), the New Revised Standard Version (1989), the New International Version (1978) and the English Standard Version (2001), all of which are widely accepted by American Protestants; The New English Bible (1961–70); and The Revised English Bible (1989). I firmly believe that for one to be clothed in and have a working knowledge of the full armour of God is to have read and studied (along with the KJV) the Apocrypha!]*

Of the 14 books taken out of the KJV of the Bible in 1885, I would state that the most valuable of all of those books is 2 Esdras.

Here is a complete list of the 14 books which used to be in the KJV until around 1885:

> **Tobit** (written 225-175 BCE): This book tells the story of two Israelite people — a blind man named Tobit living in Nineveh and a woman named Sarah — living in a city called Ecbatana. Tobit sends his son Tobias to retrieve some money he'd left in another city. An angel named Raphael guides Tobias to Ecbatana, where he meets Sarah. Raphael saves Sarah from a demon and Tobias marries Sarah. They return to Tobit, who has been miraculously cured of his blindness.

> **Judith** (written about 100 BCE): Judith, a Jewish widow, attracts and seduces an Assyrian general besieging her city. Having ingratiated herself with him, she waits until he is drunk and then decapitates him, saving the capital Jerusalem from total destruction.

> **Esther** (written around 115 BCE): Although the Hebrew version of Esther is canonical, the Greek translation contains an additional six sections. Esther is the story of an Israelite woman who saves her people from an anti-Israelite Persian plot. The canonical story makes no mention of God. The additions, however, mention God more than 50 times and also speak of the inner thoughts of the main characters. *[Obviously, the antichrist forces, behind this book's removal from the KJV, were eager to remove "God" from the Book of Esther and dilute its depth of meaning!]*

> **Wisdom of Solomon** (written around 50 BCE): This book centers on the importance of Wisdom as related to humans and to God. It may have influenced the famous prologue of the Gospel of John, with "Wisdom" replaced by the "Word."

> **The Book of Sirach or Ecclesiasticus** (written 200-175 BCE): This is the only book of the Apocrypha for whom we know the author, Jesus son of Sirach. We know this because his grandson, Ben Sira of Jerusalem, translated the original Hebrew document into Greek and wrote a prologue. The book is entirely based on ethical teachings.

> **Baruch** (written 200-100 BCE): Baruch consists of contemplations by a Jewish writer about past Jewish exiles from Babylon. It includes theology and thoughts on wisdom.

> **The Prayer of Azariah and Song of the Three Holy Children** (written 1st century BCE): These are Greek additions to the Hebrew/Aramaic book of Daniel. The first part is the prayer of Daniel's friend Azariah (called Abednego in Daniel 1:6–7) while he, Shadrach and Meshach are in the fiery furnace. The second part talks about the angelic figure in the furnace with them. The third part is a hymn of praise to God for saving them. *[What a dynamic testament to the power of prayer, God's protection, and praise!]*

> **Story of Susanna** (written 333-160 BCE): Another Greek addition to the book of Daniel. A married woman named Susanna is seen bathing by two elders. In their lust, they go to her and demand that she have sex with them. She refuses and they have her arrested, falsely claiming that she had sexual relations with a young man. As she is about to be executed, the prophet Daniel interrupts, demanding that her accusers be questioned. The men's deceit is exposed and they are executed instead.

> **The Story of Bel and the Dragon** (written 200-100 BCE): These are also Greek additions to the Book of Daniel. In it, the king of Babylon insists that his Bel, a Babylonian god represented by an idol, is really a god, since he eats and drinks the food offered to him every day. Daniel disagrees and discovers that the priests of Bel are eating and drinking the offerings. In the story of the dragon, there is an actual animal called a dragon which the king claims must be a god. Daniel promises to kill it without a sword, and does so by giving the dragon poisonous food, thereby proving the dragon is not a god.

> **The Prayer of Manasseh** (written 1st or 2nd century BCE): A brief prayer ascribed to Manasseh, one of the kings of Judah. In the Hebrew Bible, this king worships idols and then is taken prisoner by the king of Assyria. In captivity, he prays for mercy (this prayer is supposedly his actual prayer) and when he is freed, he stops worshipping idols.

> **1 Maccabees** (written about 100 BCE): This is the story of the Maccabean Revolt against the Seleucid Empire, whose King Antiochus IV Epiphanes issues

decrees demanding that Jews forget Jewish culture and accept Greek language and culture.

> **2 Maccabees** (written 150-100 BCE): More stories of the Maccabean Revolt against King Antiochus IV Epiphanes. It ends with the defeat of the Seleucid Empire by Judas Maccabeus, the leader of the Maccabees.

> **1 Esdras** (written 2nd century BCE): Septuagint translation of the Hebrew Book of Ezra. Very similar to the Hebrew version of Ezra–Nehemiah, although stories of Nehemiah are removed, and some material is added.

> **2 Esdras** (written 70-218 BCE): One of many apocalyptic Jewish books written in the 1st to the 3rd centuries CE. The author claims to be Ezra, a scribe and priest of the fifth century BC.
