> *Here's the 4th installment of our study from the "The Lost Books of Adam and Eve" on the degrees and depths of deception Satan tried in order to tease, lure, deceive, beguile, seduce, distract, scare, manipulate, and even kill Adam and Eve after they had been sent out of the Garden! Chapter 28 is a cliffhanger, literally!*

Chapter 28 - The Devil Pretends to Lead Adam and Eve to the Water to Bathe.

1 BUT when the wily Satan saw them, that they were going to the garden, he gathered together his host, and came in appearance upon a cloud, intent on deceiving them. *[It says in Revelation 1:7 regarding Jesus' Second Coming, "Behold, He cometh with clouds". Therefore, this appearance of Satan "upon a cloud" causes me to not discount the possibility that the Devil's Antichrist will attempt to mimic the same so as to deceive the whole world! See also Revelation 12:9.]*

2 But when Adam and Eve saw him thus in a vision, they thought they were angels of God come to comfort them about their having left the garden, or to bring them back again into it. *[This underscores the utmost importance of guarding our thoughts, to "pray without ceasing" (1Thes.5:17) and cultivating the mind of Christ! See:*

[https://thechristianmeditator.com/guarding-your-thoughts-and-cultivating-the-mind-of-christ/#:~:text=He%20said%2C%20%E2%80%9CAbove%20all%20else.of%20life%E2%80%9D%20\(KJV\).](https://thechristianmeditator.com/guarding-your-thoughts-and-cultivating-the-mind-of-christ/#:~:text=He%20said%2C%20%E2%80%9CAbove%20all%20else.of%20life%E2%80%9D%20(KJV).) *The Devil keeps repeatedly attacking Adam and Eve's remorse over the past. God help me to keep "forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus." (Phil.3:13b-14)]*

3 And Adam spread his hands unto God, beseeking Him to make him understand what they were. *[Adam had the sense to pray and ask God what was happening. "For the LORD giveth wisdom: out of His mouth cometh knowledge and understanding." (Prov.2:6)]*

4 Then Satan, the hater of all good, said unto Adam, "O Adam, I am an angel of the great God; and, behold the hosts that surround me. *[But in spite of Adam's prayer, Satan kept up his devious deception!—Even unscrupulously claiming to be one of God's angels! "And no marvel; for Satan himself is transformed into an angel of light." (2Cor.11:14)]*

5 God has sent me and them to take thee and bring thee to the border of the garden northwards; to the shore of the clear sea, and bathe thee and Eve in it, and raise you to your former gladness, that ye return again to the garden."

6 These words sank into the heart of Adam and Eve. *[Satan knew exactly what to say to pull on Adam and Eve's heartstrings. Just like when he tries to pull us off track by playing on our unguarded weaknesses, nostalgia, poor-me introspections. The Enemy's wicked words found their targets and went down deep! "Hide me from the secret counsel of the wicked; from the insurrection of the workers of iniquity: who whet their tongue like a sword, and bend their bows to shoot their arrows, even bitter words: that they may shoot in secret at the perfect: suddenly do they shoot at him, and fear not. They encourage themselves in an evil matter: they commune of laying snares privily; they say, 'Who shall see them?' They search out iniquities; they accomplish a diligent search: both the inward thought of every one of them, and the heart, is deep." (Psa.64:2-6)]*

7 Yet God withheld His Word from Adam, and did not make him understand at once, but waited to see his strength; whether he would be overcome as Eve was when in the garden, or whether he would prevail. *[I've experienced many times in my life when God did not answer me right away, but over time I came to understand it was because He was testing me, just as He did the same with Adam, to see my strength in Him through His Word! "Wait on the LORD: Be of good courage, and He shall strengthen thine heart: wait, I say, on the LORD." (Psa.27:14)]*

8 Then Satan called to Adam and Eve, and said, "Behold, we go to the sea of water," and they began to go.

9 And Adam and Eve followed them at some little distance. *[This reminds me of Psa.1:1, "Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful." That if not*

heeded, leads to going the Devil's way starting with a walk, then coming to making a stand against God, and then ends with a sit-down surrender!]

10 But when they came to the mountain to the north of the garden, a very high mountain, without any steps to the top of it, the Devil drew near to Adam and Eve, and made them go up to the top in reality, and not in a vision; wishing, as he did, to throw them down and kill them, and to wipe off their name from the earth; so that this earth should remain to him and his hosts alone.

*This 10th, and last, verse of Chapter 28 makes me recall Matthew 4, when Jesus, Who "was in all points tempted like as we are, yet without sin" (Heb.4:15b), was taken by the Devil "up into an exceeding high mountain, [who] sheweth Him all the kingdoms of the world, and the glory of them; and saith unto Him, 'All these things will I give Thee, if Thou wilt fall down and worship me.'" (Mat.4:8-9) Adam and Eve were led up a very high mountain to the north (Check out April 9 in this KU182 for information on Polaris, the star in the north, and its connection with Satan!), as if they were willed by the Devil to do so! Were they in some sort of trance-like state? Had Lucifer cast a hypnotic-type spell upon them? In verse 2 it says they "saw him (the Devil) thus in a **vision**". But here in verse 10 it says, "the Devil drew near to Adam and Eve, and made them go up to the top in reality, and not in a vision". Was it at this point that Adam and Eve snapped back into reality and were soon to realise that the Devil had plotted all along to hold them hostage and haul them up the mountain "to throw them down and kill them"? In Matthew 4:10, Jesus, the Word of God, when at the top of the exceeding high mountain, said to Satan, quoting Deuteronomy 6:13, "Get thee hence, Satan: for it is written, 'Thou shalt worship the Lord thy God, and Him only shalt Thou serve.'" But what will Adam and Eve do, now that they are precariously placed captives at the edge of the cliff? Find out in next week's installment!*

>  THIS did not make mainstream headlines! It took place days after Trump's Tariff Jamboree! Was that planned to take centre stage around the world, whilst in the meantime, THIS took place!? The WHO convened more than 15 countries and over 20 regional health agencies, health emergency networks and other

*partners to test, for the first time, a new global coordination mechanism for health emergencies. The two-day simulation, Exercise **Polaris**, tested WHO's Global Health Emergency Corps (GHEC), a framework designed to strengthen countries' emergency workforce, coordinate the deployment of surge teams and experts, and enhance collaboration between countries. The exercise simulated an outbreak of a fictional virus spreading across the world. Participating countries included Canada, Colombia, Costa Rica, Denmark, Ethiopia, Germany, Iraq, Kingdom of Saudi Arabia, Mozambique, Nepal, Pakistan, Qatar, Somalia Uganda and Ukraine, with additional countries as observers. I tried to locate a full list of the participating countries and the observer countries, but have yet to find it. Each country participated through its national health emergency coordination structure and worked under real-life conditions to share information, align policies and activate their response. More than 350 health emergency experts connected globally through this exercise. God help us exercise awareness and discernment! Because the delites are still intent on pharmakeia-ing the world in diabolical ways!*

> 🌟 **"The North Star Polaris Is Lucifer - Full Video Presentation"** - 1.00.56 hr vid. *PLEASE WATCH! This vid was posted on 21 December 2023. The presenter is a Christian. Now is the time for me to post this, in light of the WHO's 2-Day Pandemic Exercise Polaris Simulation! The plans and designs of the delites are in plain sight! They think we're stupid, but through Jesus Christ we are circumspect! The delites are not going to tell us the truth in words (at least for now, but coded words are starting to seep out); they're going to put their truth in plain sight. That's why Jesus said we need to have eyes to SEE and ears to HEAR! His Spirit helps us to decode and understand their "occult" (which means "hidden") machinations! The name "Polaris" means "pole star" or "north star" and is derived from the Latin phrase "stella polaris". It refers to the brightest star in the Ursa Minor constellation, which is commonly known as the North Star. This vid makes mention of the Georgia Guidestones, erected in 1980, which the delites had dismantled during the Covid scamdemic in 2022! Due to too many catching on to their plans?!*

Although for now, Satan (as the god of this world, see Matthew 4:8-9 and 2Corinthians 4:4) is "high" in his own esteem, God is the Most High!

"How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations! For thou hast said in thine heart, 'I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the **north**: I will ascend above the heights of the clouds; I will be **like the most High**.' Yet thou shalt be brought down to hell, to the sides of the pit." (Isa. 14:12-15)

Polaris, known as the North Star, sits more or less directly above Earth's north pole. There's been a lot of buzz about the north pole lately, with the USA wanting to acquire Greenland, and Russian and Chinese activity there. And coupled with this recent Exercise Polaris, what other Polaris-related activities are being exercised, and planned? 🤔

Seeking change, citizens are voting against their best interests and allowing iconic democratic institutions to corrode...It's too early to know what the future holds, but in the following article I attempt to show what daily life in a dictatorship is like and how best to survive...survival in a dictatorship requires one to keep their eyes open and head on a swivel...a few ideas for blending in, remaining informed and staying sane [in the article are details on these numbered points]:
1. Stay Informed and Educated...2. Protect Your Digital Privacy...3. Build a Support Network...4. Maintain Documents...5. Learn Survival Skills...6. Secure Your Finances...7. Establish a Safe Exit Strategy...Truly remaining invisible requires blending in...This is not a comprehensive guide. And with nuclear technology far more advanced since WWII...What is clearly evident to me, is the globalist cabal ruling elite are absolutely trying to thwart Trump and Putin's peace efforts in resolving the Ukraine war. They are using every opportunity to provoke Putin into starting WW3 with NATO and forcing the U.S. to honor our treaty obligations. Their desperation is obvious, as the discredited and highly unpopular stooges governing France, the U.K., Canada and Germany make unhinged statements and threats on a daily basis, threatening war with Russia...This Crisis period is accelerating and intensifying on a daily basis, as Trump, Putin and Xi, and a

myriad of other world leaders provoke, posture, and threaten each other, with all signs pointing towards military conflict...In 1785 the Americans had won the Revolutionary War, but had not yet written the Constitution or elected a president in the final stages of the first American Fourth Turning. Exactly 80 years later in 1865, the American Civil War Fourth Turning reached its bloody conclusion. Exactly 80 years later in 1945, World War 2 was won, after the loss of 65 million lives. Hidden in the Book of Revelation is a terrifying truth most churches won't talk about: hybrid kings, born of fallen angels, are preparing to take control of Earth. These aren't metaphors. These are genetic super-beings—part human, part dragon—engineered to legally usurp the birthright of mankind. And their empire is rising right now: the Beast System."

"Glenn unveils CIA's grim Dire Wolf conspiracy" - Includes 4.41 min vid.

(Excerpts:) "What Glenn recently uncovered about the company is far more monstrous than the wolves will ever be. Glenn revealed that the CIA, through a nonprofit group known as In-Q-Tel, is funding Colossal's endeavors to bring back all sorts of extinct beasts. With the recently released JFK Files exposing the CIA's unchecked power, Glenn warns of the dangerous potential behind this genetic manipulation—and the rogue agency's possible motives...Playing God to create new weapons of war sounds right up the CIA's alley. Even worse than man-made mutant mutts, Glenn pointed out that these augmentations are by no means limited to animals. We could see (or rather, hear unverified rumors of) the rise of the next generation of super soldier projects. Human experimentation is not outside of the CIA's scope (think MKUltra), and genetically or chemically augmented humans have been a pipe dream for many a clandestine organization for decades."

"Germany's Coalition Government Wants To 'Strengthen' Democracy By Abolishing It"

(Excerpts:) "The two political parties with the most dramatic losses at the recent elections, the Christian Democratic Union (CDU), often called the 'black' party due to its traditional color, and the Social Democratic Party (SPD), known as the 'red' party, are in advanced negotiations to form a coalition coalition-government—nicknamed 'BlackRed' *[Do you remember a flag, that was mainly red and black, that became the national flag of Germany as a part of the Nuremberg Laws in 1935, which remained until the end of World War II and the fall of the Third Reich? See: https://en.wikipedia.org/wiki/Flag_of_Nazi_Germany]* or even 'BlackRot' by critics...One of the most shocking ideas in the leaked coalition papers is the plan to ditch Germany's Freedom of Information Act...The coalition also wants to crack down on what they call the 'deliberate spread of false factual claims'. Their argument? Free speech doesn't cover lies, so they want 'state-independent media oversight' to step in, based on 'clear legal guidelines', to fight 'information manipulation, hate, and incitement'. Sounds noble, right? But here's the catch: who decides what's a lie, what is hate and what is incitement? These terms are rubber, you can stretch them arbitrarily to suit your purpose. In the U.S., free speech is sacred under the First Amendment, even if someone's spouting nonsense like 'the Earth is flat'. Germany's constitution protects free expression too, but with limits—like laws against Holocaust denial or defamation. Courts there already say provably false statements aren't protected if they're just facts, not opinions. But if those 'facts' mix with opinions—like in a political rant—they still get a shield for the time being...The BlackRed plan, though, goes further. They want to make spreading 'false claims' a crime, separate from

existing laws like slander...the coalition's talking about stripping people of their right to run for office if they're convicted multiple times of 'incitement' (Volksverhetzung in German). This law already covers things like hate speech or promoting violence against groups. The CDU and SPD want to toughen it up and add a penalty: if you're found guilty more than once, you're barred from elected office, at least temporarily. They frame it as 'strengthening democracy's resilience' against terrorism, antisemitism, and hate. They also want to explore punishing public officials or soldiers who share extremist stuff (speaking out against the government) in private chats."

(Excerpts, *but please read in full to be informed!*!) "This week is the extended 13th meeting of the INB. In other words, the 13th and final meeting was scheduled for February, but the WHO planners decided to add yet one more meeting before the late May, annual World Health Assembly meeting of 194 nations. If there is no agreement then, the Pandemic Treaty aka Agreement would have to be buried. It cannot be negotiated further. HOWEVER, we have seen how the WHO bureaucrats are wont to twist the rules. So what they will

probably attempt is to create a vanilla document that does not resolve the controversies, and promises instead to form committees to resolve them later. They tried this before and it did not get far. But now the arm twisting and backroom deals will be at fever pitch. A lot is at stake for the biodefense industry. What will be offered to sweeten this bitter deal? The big controversies are how much free and cheap meds/vaccines/money nations will receive if they provide potential pandemic pathogens to the WHO's pathogen lending library. And how the library (the Pathogen Access and Benefit Sharing System or PABS system, in conjunction with WHO's lab network) will work. >  Today I shared some thoughts with someone about nationalism and Christianity. In the article below (released towards the end of Trump's first term), it refers mainly to American Christian nationalism. But through the lens of Christians being nationalistic (when we know full well that this world is not our home, for we seek a better country, as brought out in Hebrews 11), no matter what country lived in, imo, this can possibly open the door to some compromising thought patterns. Nations around the world have various charms, cultures, cosmopolitan attractions that (as I've personally witnessed) can create a mysterious fixation and captivating kind of mesmerizing "defend-the-motherland" effect even on Christians—when, in fact, nation states are, at their core, at this time in history, all strongholds of the god of this world! See Matthew 4:8-9. With the elites deliberately causing it to be so wearisome for the masses to find, decipher, diagnose etc. the truth, this (imo) is part of the elites' breaking-down process, to cause mental malaise and widespread whatever-ish-ness. But we who do know our God will ask and seek unabated! And we shall find! God bless and keep us digging and scrutinizing and Jeremiah 33:3ing! "Call unto Me, and I will answer thee, and show thee great and mighty things, which thou knowest not." PTL!

There are parts of the following article that I would have defined and expressed differently, but at least it gets the ball rolling on this topic, in case readers wish to undertake further research into it.

"Jesus Is Not a Republican and Christianity Is Not Nationalism"

(Excerpts:) "Christianity is not nationalism. This point is closely related to the previous one. But let me say this clearly then unpack what I mean. Christians should not be afraid of what will happen to the United States. As Christians, we have renounced our citizenship to this nation in favor of our citizenship in God's kingdom (Phil 3:20)...Christianity is not a white man's religion...much of the early history of the church was characterized by an unlikely association between Middle Eastern, European, and African saints. Today, the vast majority of Christians are non-white and the church's population centers are in sub-Saharan Africa and Asia. The past, present, and future of the church is not Western, and Western Christians must repent of our ethnocentrism in thinking that it is or ever was."

(TTS Intro:) "Mike Whitney explains why Trump's tariffs are not intended to bring jobs back to America. The real objective is to isolate, encircle and eventually crush China."

(Excerpts:) "The Trump tariff extravaganza was never about trade deficits, reindustrialization, or bringing jobs back to America. It was always about China. Now that Trump has either eased or lifted the tariffs on 90 other countries, we can see what's actually going on. Trump is using the 'tariffs smokescreen' to implement his decoupling policy, a strategy that is designed to isolate, encircle and eventually crush the People's Republic of China. That's the motive that drives the policy. The tariffs were just a means to an end. This is from CNN: 'President Donald Trump announced a complete three-month pause on all the 'reciproca' tariffs that went into effect at midnight, with the exception of China, a stunning reversal from a president who had insisted historically high tariffs were here to stay...enormous tariffs will remain on China, the world's second-largest

economy. In fact, Trump said they will be increased to 125%'...China is being targeted because China's meteoric rise and explosive growth has made it a threat to America's global hegemony....'Treasury Secretary Bessent just revealed that President Trump laid a trap and China fell into it. *[As shown in included .33 sec vid.]*...China is rapidly surpassing the US in science, technology, AI, quantum computing, robotics and nearly everything else. Because they are governed by people who aspire to create a civilization in which individuals and communities achieve their full potential. This is why the entire country is crisscrossed with high-speed rail linking shiny, space-age cities together in a vision of 21st century modernity that is unrivaled in the world today. Whatever one may think about China, they must admit that—as a civilization and a society—they are headed in the right direction while the dilapidated, threadbare and deeply polarized US is in steep decline...China's success has generated considerable envy among western elites who are now determined to do everything in their power to turn back the clock to the post war era when the global economy was their oyster, and the 'rules-based order' was the only game in town. The goal is to 'contain China's growth', which is a sobriquet for subverting China's development at every turn. The particular strategy even has a name. It's called 'decoupling' which refers to the process by which the United States (and other Western countries) reduce their economic, technological, and financial interdependence with China...the 'tariffs flap' was just a way to kick off the new policy (which is decoupling) which is aimed at intensifying the hostility between Washington and Beijing...ordinary people will suffer greatly from decoupling and see their standards of living fall even further. That's because the policy is not intended to create jobs, increase wages, improve health care or provide lower-cost education. It is aimed at preserving Washington's grip on global power so that corrupt western elites can create more mischief while driving the country further into debt and despair."

Hybrid Kings, Nephilim DNA & The Beast System" -

(Excerpts:) "Once upon a time, the Tower of Babel was constructed as a monument to man's ego while spitting in the face of God. Nothing has changed as the latest Tower of Babel seeks to take over humanity, turn the created world upside down, escape into space, and, yes, once again spit in the face of God. Technocrat is code for psychopath: impaired empathy and remorse, along with megalomaniac traits, masked by superficial charm and immunity to stress. Key traits associated with psychopathy include: • Interpersonal characteristics: Superficial charm, deceitfulness, manipulateness. • Emotional traits: Lack of empathy, remorse, and emotional depth. • Behavioral tendencies: Impulsivity, irresponsibility, thrill-seeking, and antisocial behavior. All Technocrats are not psychopaths, but those at the top of the pyramid certainly are...What is the Beast System? It is the modern Satanic leviathan of human technological advances that allows a small group of powerful individuals and families to enslave humanity through a network of surveillance and connectivity that spans the globe...Technocracy was a social movement active in the United States and Canada in the 1930s...Technocratic governance is getting a second trial run with DOGE...technocrats describe the citizens, the people, as "human animals" and refer to them as programmable machines...Technocracy is literally anti-human. It elevates technological development above people...The neoreactionary / accelerationist solution to humanity's ills is to end humanity. They will require us all to be transhuman cyborgs so we are trackable, controllable, efficient machines for their utopia. We can be programmed as required, and there will be no resistance. Their deluded belief is that once we are all transhuman cyborgs, they can finally kill God and abandon the outdated idea of man as a created being with free will and a soul. They are willing to sacrifice our humanity to bring in this 'new evolutionary phase'. Government will finally be efficient, but there will be no humans left to govern. We are told DOGE is rooting out corruption, but the real function should be clear to all who have read this article. DOGE is dismantling government to make way for the new system. DOGE will accelerate the formation of this privatized technocratic psychopathic dystopian hell. American voters are being herded toward this dark dystopian world at warp speed...When Trump talks about Freedom Cities, just remember that this is code for Smart Cities or 15-Minute Cities, and that all of these things are small-scale gov-corp Technates. Trump has called for ten of these across the US. Instead of telling you what these really are, they try to distract you with stories of flying cars. If you

want to learn more about these mini-Technates that will be coming to the US soon, look up Prospera on the island of Roatan in Honduras. This is a Peter Thiel project, and he has been able to demand special regulatory and economic status for the project. What this means is that he has total control of Prospera, and the Honduran government has no authority whatsoever. Thiel has used his influence with the World Bank to threaten to bankrupt the entire country if they don't let him have total control. The Honduran government no longer has any rights to this part of their country. Hopefully, you are now able to see how Build Back Better, Elon claiming to be Dark MAGA, and Trump saying you won't have to vote anymore all tie together and are all pointing towards the Dark Enlightenment technocratic future they have planned for us. Hopefully, you understand all of the confusing terms like technocrat, neoreactionary, and accelerationist that are all just code for psychopath." - *Here are two links to this article:*

Every year at this time, Jewish families celebrate God's liberation of the ancient Israelites from slavery in Egypt, guiding them through the prophet Moses on a forty-year journey to a very, very promised land. The story of Exodus, which is retold around the globe and all over the world at every Passover Seder, is a reminder not only of the enduring strength of the Jewish people, but of the importance of putting our faith in Almighty God no matter what the circumstance. To all the Jewish families gathering with friends and loved ones this week, have a blessed Passover, and may God continue to watch over the Jewish people, the State of Israel, and the United States of America. (Excerpts:) "Zionism is a false idol that has taken the idea of the promised land and turned it into a deed of sale for a militaristic ethnostate. It is a false idol that takes our most profound biblical stories of justice and emancipation from slavery – the story of Passover itself – and turns them into brutalist weapons of colonial land theft, roadmaps for ethnic cleansing and genocide. It is a false idol that has taken the transcendent idea of the promised land – a metaphor for human liberation that has traveled across multiple faiths to every corner of this globe – and dared to turn it into a deed of sale for a militaristic ethnostate. Political Zionism's version of liberation is itself profane...It is a false idol that equates Jewish freedom with cluster bombs that kill and maim Palestinian children. Zionism is a false idol that has betrayed every Jewish value, including the value we place on questioning – a practice embedded in the Seder with its four questions asked by the youngest child. Including the love we have as a people for text and for education. Today, this false idol justifies the bombing of every university in Gaza; the destruction of countless schools, of archives, of printing presses; the killing of hundreds of academics, of journalists, of poets – this is what Palestinians call scholasticide, the killing of the means of education."

The news came to light when the change was only dug up from a Friday Customs notice—it was not announced publicly by White House! It seems that this move is indicative that the elites want to keep purchasing power going, of which technology plays a major part! Nowadays, people use their phones to pay more than ever before. (Excerpt:) "...pushed by the Rothschild-led Zionist industrial-imperialist global mafia, which I have nicknamed Zisglom, or **ZIM** for short...[is a] long-term plan is to destroy traditional culture and self-sufficiency in order to make us utterly dependent on its system...In 1919, Monnet (pictured) was asked to take on the job of Deputy Secretary-General of the League of Nations...In November 1932, the Chinese Minister of Finance invited Jean Monnet to act as chairman of an east-west non-political committee in China for the development of the Chinese

economy where he lived (with a six-month interruption) until early 1936...Monnet also represented the US Federal Reserve at the French central bank Banque de France...In the 1930s, together with the London-New York investment bank Lazard, he financed railway lines for the narco-feudal-capitalist government of General Tsiang Kai-shek in China (pictured), who was also supported by the US government, Mussolini and Hitler...Wikipedia...manages to avoid mentioning the word 'Rothschild' in its profiles of Monnet, but lets the cat out of the bag in its profile of Baron Robert Rothschild (1911–1998), an influential Belgian diplomat who 'helped to draft the Treaty of Rome of 1957, the foundation of the European Economic Community (EEC) in 1958'...Explaining that he was, like all the Rothschilds, descended from Moses Amschel Bauer of Frankfurt am Main, it reveals: 'He was close to the French civil servant Jean Monnet, one of the founding fathers of the European Union'...principal current target [of the Rothschilds] is Africa, where ZIM wants to force people off their land, destroy their traditional way of life and exploit them as 'human capital'...I know that it is difficult for people to accept that what we think of as unfolding history and organic social change are in fact being directed by a hidden and profoundly anti-democratic power. We have been conditioned, throughout our lives, to think that any person advancing this interpretation must necessarily be unhinged. If I go a step further and insist that the entity behind this manipulation is ZIM, then I have broken a whole series of deeply-ingrained social taboos. It is, in our society, considered self-evident that any such analysis is not only wrong, but ridiculously wrong and, moreover, hatefully and even criminally wrong. But, I beg sceptics to consider, what if the thesis were indeed true? How, in this case, would one expect the ruling group to protect its concealed existence and activities from an exposure that would scupper its Big Plan? It would, of course, work very hard to ensure that public opinion felt any such suggestion to be absurd, unacceptable and even criminal. This is called gaslighting and ZIM is very good at it." - *But God's Plan is over-arching and will override the delites' delusions, as His Word declares! 'Mel Gibson proved 20 years ago that faith-based movies can be successful when Hollywood kind of turned its back on this audience', Arroyo noted, recalling how Gibson's personal investment in 'The Passion' broke box office records despite initial skepticism. Eldridge also suggested that 'The King of Kings' benefits from a cultural shift toward embracing traditional Christian values, amplified by its high-profile cast and animated format.":

I hope Trump does not fall for it and put the USA back in the Commonwealth in some form or the other. Are we seeing the Rise of the Antichrist and the 10 horns?" *We know that, according to Bible prophecy, God will allow the delites to have their heyday and bring it all together at some point so that the "world may be one, with peace and safety and fairness and happiness and wonderfulness and blah blah blah", leading up to the global Technates' eventual dark fate!—Which all factors into the dividing of the wheat from the tares! Let's stay awake, aware, alert and auditing all the angles, in the name of the Lord, which is a strong tower, into which the righteous run and are safe! (See Prov.18:10)*

"Trump's Deal with King Charles (What They're Not Telling You) - The alarming implications of Trump's deal with King Charles" - In the vid, it mentions COP30, which will take place in Belém (which is "Bethlehem" in Portuguese), Brazil, 10-21 November 2025. Now, when I think about "Bethlehem", it makes me think of the town where Jesus Christ was born, when the Word of God became manifest here on earth in human form! So what's going to be going on in Bethlehem, Brazil? What's going to be "born" there?!

In KU178/13 March, I posted about the four-lane highway that is being built through the Amazon rainforest in Brazil, requiring the clearing of tens of thousands of acres of protected forest. This road construction is causing massive deforestation and is visible ahead of the Climate Summit COP30, which Brazil is hosting. This road is being built to accommodate the infrastructure needed for hosting the summit, raising scrutiny over whether flying thousands of delegates across the world undermines the cause of climate action! It's a LIE-mates Summit! Where lying mates will gather to worship their Liar god, Satan! Who is a liar from the beginning!

In the vid, it also refers to Pan. I'm reminded of what it says on page 8 of the "Enoch - Endtime - CERN compilation.pdf that went out to Key Updates readers in on 24 December 2024, in which it says:

(Excerpt:) Genesis 6:1-4 says: "When men began to multiply on the face of the Earth, and daughters were born to them, that the sons of God saw the daughters of men that they were fair; and took them wives of all which they chose."

Traditionally, the Ben Eloha, or "sons of God", numbered several hundred and they descended to Earth on Mount Hermon. Significantly, this was a sacred place to both the Canaanites and the Hebrews who invaded their land. In later times, shrines to the gods Baal, Zeus, Helios and Pan and the goddess Astarte were built on its slopes. (End of excerpt.)

In a Key Updates released in early 2025, I posted an article about the Banias cave complex located in the Banias Nature Reserve in the Golan Heights of Israel, at the foot of Mount Hermon! And mentioned, "For those of you who have read my previous postings regarding Mount Hermon, and references to it in the Enoch-Endtimes-CERN compilation sent out on 24 December, you know that developments regarding Mount Hermon are to be truly viewed as significant indicators in Endtimes prophecy." Here is that article about the Banias cave complex:

"Roman banquet hall of Herod Agrippa II discovered in Banias cave, northern Israel - Pagan site dedicated to Greek god Pan was converted to an exclusive banqueting site, as described by Josephus" - Accompanied by 4.03 min audio of the article which was posted on 5 December.

(Excerpts:) "Recent excavations at the Hermon Stream Nature Reserve (Banias), an archaeological site in the Golan Heights, have uncovered new evidence that sheds light on the transformation of a sacred cave into a Roman-style banquet hall built by Herod the Great's grandson...The Roman banquet area was designed to maximize sensory enjoyment...In the 5th century, a church was built

at the cave, marking the site's transition from pagan to Christian use. Over time, the cave returned to its roots as a **site of Pan worship**, where hydromancy rituals – using water to determine fate – were likely practiced...Plans to recreate the Roman dining area at Banias are on hold, pending further assessments after the conflict."

(Excerpt:) "Modern day events can be understood only if we can trace their implications in a direct line from the earliest records of antiquity. These records concern pre-Adamic man, a hybrid creature whose origins are described in ancient books. The Book of Enoch (which itself is part of an earlier Book of Noah, written about 161 B.C.) says that Samjaza (Satan), the leader of a band of two hundred angels, descended on Mt. Carmel. They had lusted after the daughters of men from afar, and now they took them for wives. These fallen angels, known as the Order of the Watchers, taught their wives magic. The issue [children] of these unions was a race of giants, known as Nephilim. Genesis 6:4 'There were giants in the earth in those days. 'These giants later became known as 'the sons of Anak'. In Numbers 13:33, we read, 'And there we saw the giants, the sons of Anak, which come of the giants.' These giants constituted a powerful menace to other peoples. In Deuteronomy 9:2 is the complaint, 'Who can stand before the children of Anak.' Unfortunately for humanity ... Satan, through his children, the Nephilim, and also through Cain has now established a demonic presence on the earth. His rebellion against God would result in continuous suffering and travail on earth for centuries to come. The history of mankind since his rebellion is the history of struggle between the people of God and the Cult of Satan." - *Thank*

The Soviets - mostly Russians - fought back ferociously. It was the most battle-deadly front of the entire war. Russia lost twenty-seven MILLION people fighting the Nazis. When Russia repelled the Nazi army, the Russians chased them all the way across Europe, back to Berlin. There, it was the Russian 'Red Army' that stormed Berlin and conquered Nazi Germany. Not the Americans. Not the British; the Russians. Fast-forward to the present Russia-Ukraine conflict, which is a Proxy war, by NATO, against Russia. Germany has been supplying Leopard Tanks which have been used on Russia soil but were finally repelled. >  **"Why Are We Injecting Newborns with a Vaccine for a Disease They Can't Catch?"** - Includes 2.08 min vid.

(Excerpt:) "Ask yourself this question. The Hepatitis B vaccine is required for kids to attend public school in 47 states. But Hep B is spread through blood, sex, or sharing needles. So why are babies getting it the day they're born? Ask a doctor and you'll hear talking points like: 'There could be an infected needle on the playground.' There are zero documented cases of a child getting Hep B from a playground. Not one. And mothers are screened for Hep B before birth—so if mom's negative, there's no risk to the baby. Yet they inject them anyway. It gets worse. The shot wears off by the time kids become teenagers—the only age where they might actually be at risk. So what's the real reason it's given to newborns?" - Watch the vid!:
