Governments are now officially confirming UFOs — objects that defy physics, vanish instantly, and behave as if guided by intelligence.

The world is captivated. But before you conclude "aliens," consider a far older explanation. Scripture is full of extraordinary aerial phenomena — and they come from two very different sources.

On one side: Godly manifestations. A pillar of cloud by day, a pillar of fire by night — a luminous, mobile presence *guiding* Moses and Israel through the wilderness. Éxodus 13:21-22

Jacob watched angelic
beings ascending and
descending between
Heaven and earth.
Genesis 28:12

Ezekiel witnessed a whirling, radiant vision — wheels within wheels, blazing light, living beings — a breathtaking glimpse of Heaven. Ezekiel chapter 1

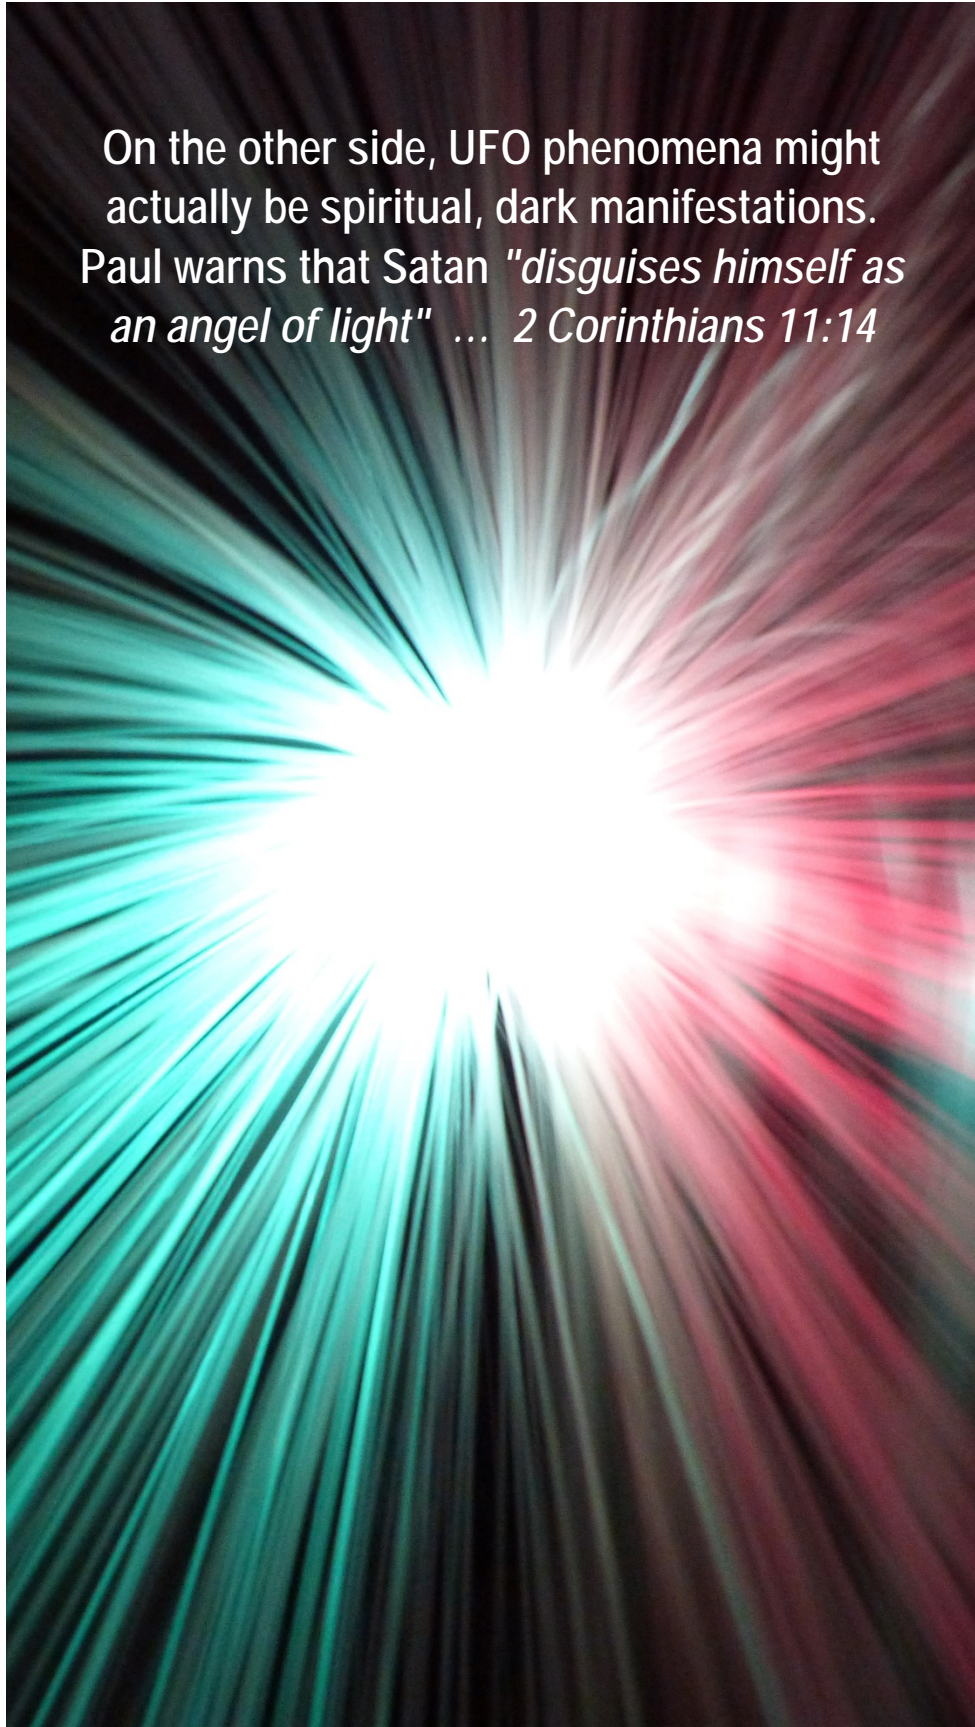

Elijah was taken to Heaven in a chariot of fire. 2 Kings 2:11

The Star of Bethlehem moved and stopped with deliberate precision. And so on. Godly signs in the skies are all over the Bible. Matthew 2:2

On the other side, UFO phenomena might actually be spiritual, dark manifestations. Paul warns that Satan "*disguises himself as an angel of light*" ... 2 Corinthians 11:14

... and calls him *"the prince of
the power of the air."*
— *Ephesians 2:2*

He also warns of "*false signs*" and a coming "*strong delusion*" powerful enough to deceive the entire world.
— *2 Thessalonians 2:9*

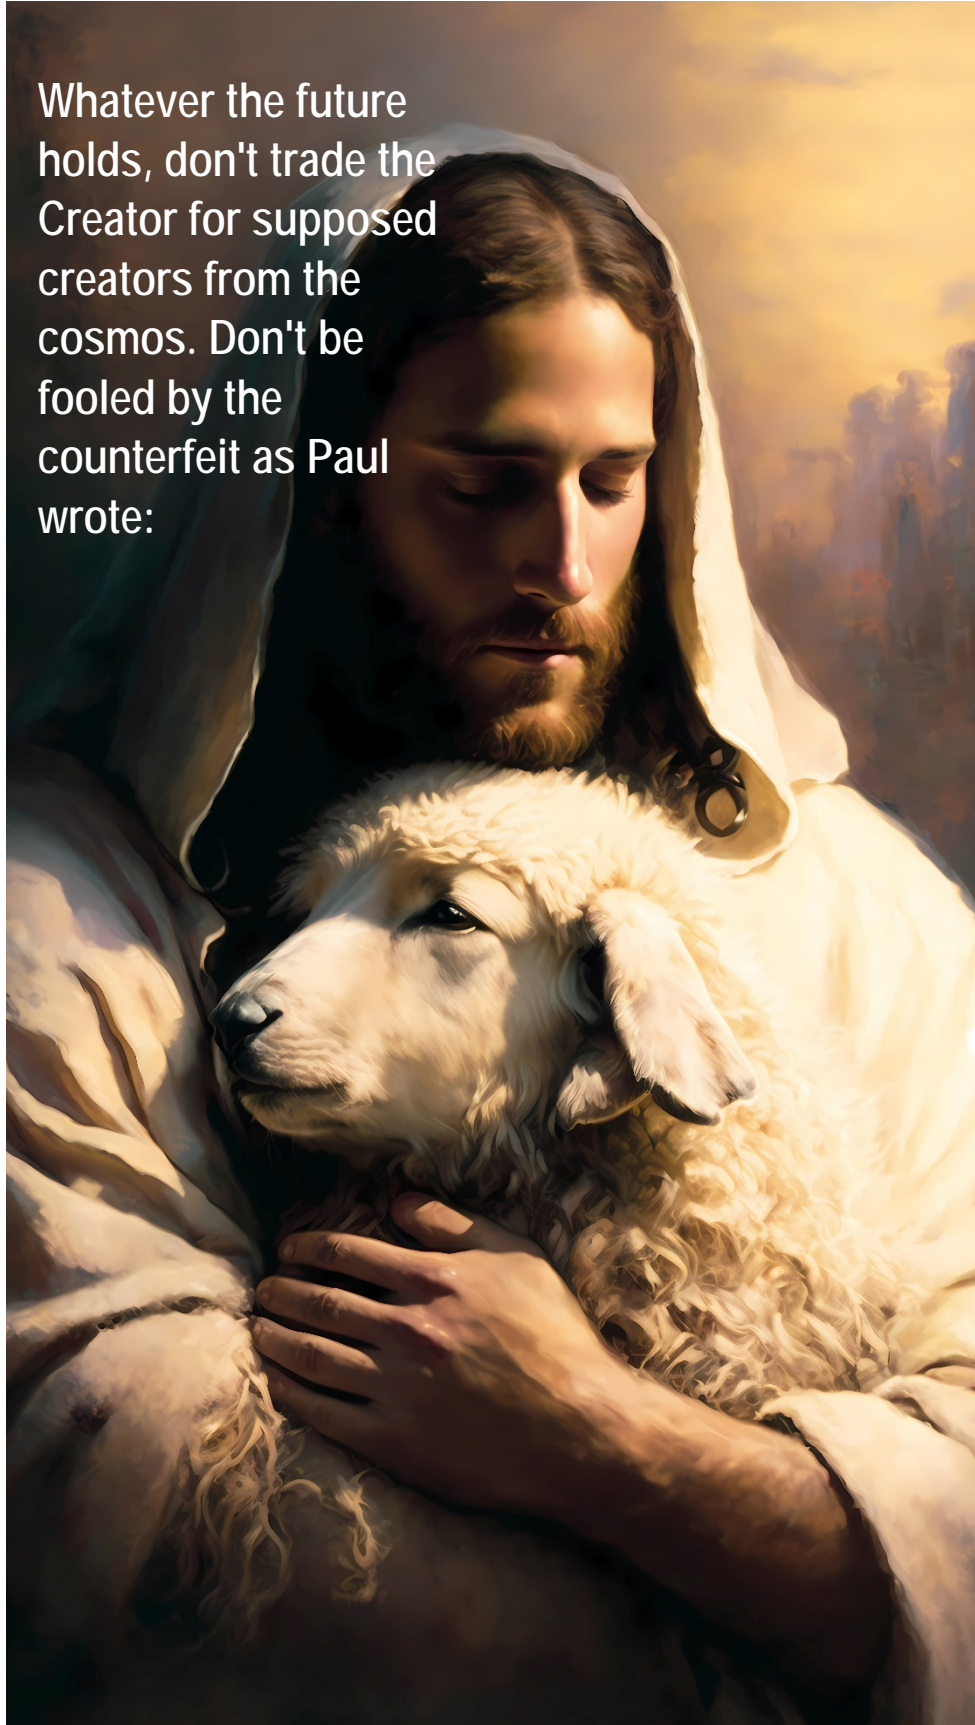

Revelation describes a being who
calls fire down from heaven as a
spectacle. Revelation 13:13

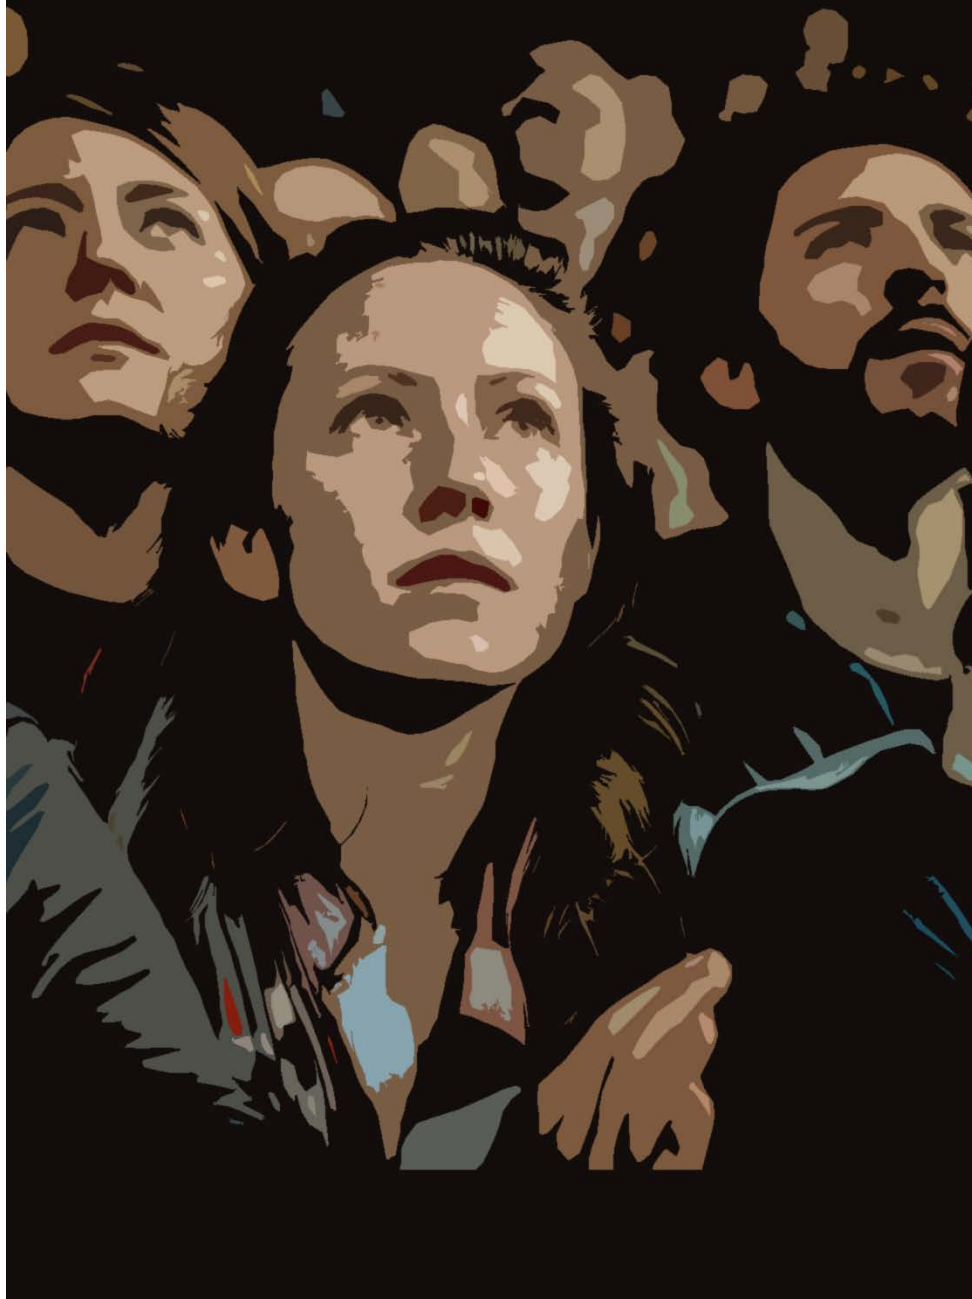

Christ's very first warning about the end times was: *"Take heed that no man deceives you."* — Matthew 24:4 And that *"...there will be terrifying things and great signs from heaven."* — Luke 21:11

Whatever the future holds, don't trade the Creator for supposed creators from the cosmos. Don't be fooled by the counterfeit as Paul wrote:

*"But even if we, or an angel from heaven,
should preach to you a gospel contrary to
what we have preached to you, let him be
accursed." — Galatians 1:8*

A long, straight asphalt road stretches from the foreground into the distance, leading the eye towards a range of mountains under a dramatic, cloudy sky. The road has a solid white line on the left and a dashed white line on the right. The landscape is arid and flat, with sparse vegetation.

Be alert!

**TRUST
IN GOD**

Jesus wants to come into your life. If you haven't already done so, please say this prayer:

"Lord Jesus, I need you. Please forgive all my faults and sins. I believe that You are the Son of God and that You died for me. I invite You to come into my heart and my life. Thank You for the gift of eternal life, and please fill me with Your Holy Spirit. Help me to read and understand Your Word.

Amen."
